

Fence Workmanship Warranty

Warranty Period: One (1) year from the date of completion of the fence project.

Coverage: This warranty covers defects in workmanship related to the installation of your fence. RC Pro Solutions will repair or replace, at its discretion, any components of the fence that fail due to faulty workmanship. This includes, but is not limited to:

- **Post Installation:** This ensures that fence posts are set at the proper depth and securely anchored in concrete, ensuring the stability and longevity of the fence.
- **Rail and Panel Alignment:** This covers the proper installation of fence rails and panels, ensuring they are level, straight, and securely attached to the posts.
- **Gate Installation and Functionality:** This includes the proper installation and hanging of gates, ensuring they swing freely and latch securely. It also covers the proper installation of gate hardware, such as hinges, latches, and drop rods.
- **Fence Line and Post Spacing:** This ensures that the fence line is straight and that posts are spaced correctly to provide adequate support for the fence panels and prevent sagging.
- **Hardware and Fasteners:** This covers the proper use and installation of all hardware and fasteners, such as nails, screws, bolts, and connectors, to ensure the structural integrity of the fence.

Exclusions: This warranty does not cover:

- **Material Defects:** Any defects in the fence materials themselves, such as warping, cracking, splitting, rotting, or discoloration, are covered by the manufacturer's warranty, not this workmanship warranty.
- **Natural Wear and Tear:** This warranty does not cover normal wear and tear on the fence, including fading, scratches, or damage caused by weather, animals, or landscaping equipment.
- **Improper Maintenance:** Failure to properly maintain the fence, as outlined in the care and maintenance instructions provided by RC Pro Solutions or the material manufacturer, will void this warranty.
- **Alterations or Modifications:** Any alterations or modifications made to the fence after installation by anyone other than RC Pro Solutions will void this warranty.
- **Acts of God:** This warranty does not cover damage caused by events outside of RC Pro Solutions' control, such as hurricanes, tornadoes, earthquakes, floods, or fires.

- **Pre-existing Conditions:** This warranty does not cover any damage or defects caused by pre-existing conditions on the property, such as soil instability or drainage issues.
- **Damage Caused by Third Parties:** This warranty does not cover damage caused by third parties, such as vandalism, vehicle collisions, or tree falls.

Disclaimer: This warranty is in lieu of all other warranties, expressed or implied, including any warranty of merchantability or fitness for a particular purpose. RC Pro Solutions' liability under this warranty is limited to the repair or replacement of defective components as described above. RC Pro Solutions shall not be liable for any incidental, consequential, or special damages arising out of or in connection with the use or performance of the fence.

Making a Warranty Claim:

To make a warranty claim, please contact RC Pro Solutions at **678-559-9990** or info@rcpro.net within **90 Days** of discovering the issue. Please provide a detailed description of the problem and include any photos that may be helpful. We will investigate your claim to determine if the integrity of your fence is in question.

By having RC Pro Solutions build your fence you agree to the terms of this warranty.

Thank you for choosing RC Pro Solutions for your project!
